2.0 Methodology for Evaluation of Bids:

- 2.1 BCPL will evaluate and compare the Price bids of the techno-commercially qualified bidders whose bids are previously determined to be substantially responsive pursuant to “ITB: Clause-29”.
- 2.2 The evaluation will be done on part wise basis. Bidder shall quote for each Part as an independent job. For the purpose of evaluation of bid and arriving at the L1 bidder, the total value of SOR for each Part shall be considered excluding GST.
- 2.3 Bidder can quote for any one Part or more than one Part or for all Part(s). **The bidder should clearly indicate the Part(s) against which they are submitting their Bid by specifying in their covering letter as well as marking in Blank SOR with ‘Quoted/ Not Quoted’.** Price bid of techno-commercially qualified bidder(s) shall be considered for opening only for the part(s) for which the bidder(s) individually qualifies(s).
- 2.4 Bidders shall submit EMD amount as per clause no. 2.3 above (on cumulative basis, if quoting for more than one Part). Part(s) for which EMD is not submitted shall not be considered for evaluation.
- 2.5 If a bidder happens to be Lowest in more than one Part(s) but has qualified only for one or more than one of the Part(s) and not all the quoted Part(s), award of Contract will be based on “Least Cost to BCPL” basis, Part wise, as the case may be. Once certain Part(s) are awarded to such L1 bidder (On Least Cost to BCPL basis), the bidder ceases to be lowest bidder for the remaining Part(s). The award of remaining Part (s) on other bidders should not be considered as award on L2, L3...bidder. BCPL’s decision in this regard shall be final and binding on the bidder.
- 2.6 If a Startup company [whether Micro & Small Enterprises (MSEs) or otherwise] as a bidder gets qualified without any prior experience & turnover criteria as mentioned above and emerges as lowest evaluated bidder (L1), the LOA / Order on such Startup shall be placed for entire tendered quantity.

[However, EIC's of that contract shall draw monthly milestones / check points during the Kickoff Meeting and shall review the performance more carefully and take action as per provision of contract in case of failure / poor performance.]

- 2.7 In case of **a tie** at the lowest bid (L1) position between two or more Startup / non-Startup bidders, then LOA / Order shall be placed on the bidder who has higher / highest turnover in last audited financial year, **2017-18**. In case, audited financial result (Balance sheet and profit & Loss account statement) of **FY: 2017-18** is not audited on the due date of 'submission of bid/bid closing date', in such case audited financial result (Balance sheet and profit & Loss account statement) **FY: 2016-17** shall be considered.
- 2.8 In case, there is **a tie** at the lowest bid (L1) position between only Startup bidders and none of them has past turnover, the LOA / Order shall be placed on the Startup who is registered earlier with Department of Industrial Policy and Promotion, Ministry of Commerce & Industry, Govt. of India.
- 2.9 Startups are exempted from submission of **EMD**.
- 2.10 **CPBG: The following CPBG clause shall be incorporated in tender document,**
The contract performance security shall be 10% of annualized Basic Contract Value (without GST therein) towards faithful performance of the contractual obligations and must be valid for 3 months beyond the contract period. For the purpose of Contract Performance Security, Contract/order value shall be exclusive of GST. Details as per ITB of Tender document.
- 2.11 **PPP Policy 2012:**
The said job/service is splittable and hence job is to be awarded to MSE vendor as per Public Procurement Policy, 2012 as below including the other provisions as mentioned in ITB of tender document.

In case of Micro and Small Enterprise(s) quoted their prices within the price band of L1+15% and are not L2, L3 bidder (where three transporters are desired) and L2 (where two transporters are desired), they shall also be allowed to provide a portion of requirement by bringing down their prices to L1 price and Micro & Small Enterprises shall be allowed to provide up to 20% of the total tendered value (for respective zone). In case of more than one such Micro and Small Enterprises, the job shall be shared proportionately (to tendered quantity for respective zone). Further, out of above 20%, 4% (20% of 20%) shall be from MSEs owned by SC/ST entrepreneurs. This quota is to be transferred to other MSEs in case of non-availability of MSEs owned by SC/ST Entrepreneurs.
