- (iv) In case it is observed that any bidder has not quoted for any item in the Schedule of Rates (such unquoted item not being in large numbers and does not fall under REJECTION CRITERIA of tender), the quoted price for the purpose of evaluation shall be considered as the maximum rate quoted by the remaining bidder for such items. IF after evaluation, such bidder is found to be the lowest evaluated bidder, the rates for the missing item shall be considered as included in quoted bid price. If the estimated price impact of the unquoted items is more than 10% of the bidder's quoted price, the above provision shall not be applicable and such bid shall be rejected.
- (vii) IF any unconditional rebate has been offered in the quoted rates, the same shall be considered in arriving at the net tendered amount. No cognizance shall be taken for any conditional discount for the purpose of evaluation of the bids.
- (viii) After the total quoted amount for each tender has been worked out, the financial implications in respect of the retained technical and commercial deviation will be added for evaluation purpose as per terms and conditions declared upfront in the tender documents.

However, if the bidder happens to be the lowest evaluated bidder without considering such discount then the benefit of discount will be availed at the time of award of work. In the event as a result of techno-commercial discussions or pursuant to seeking clarifications/confirmations from bidders, while evaluating the un-priced part of the bid,
