BID EVALUATION CRITERIA (BEC)
&
PRICE BID EVALUATION
METHODOLOGY

1.0 BID EVALUATION CRITERIA (BEC):

1.1. BEC- Technical: (as a single bidder)

*Bidder must have executed & completed at least one (01) single order/contract of refilling & testing of Carbon-di-oxide (CO₂) Cylinders and extinguishers & Nitrogen cylinders having minimum order value of **Rs 2.50 Lakh (including GST / taxes)** awarded to them by any Govt. / Semi Govt. / PSU / MNC/ Public Ltd. Company /Pvt. Ltd. Company in the previous seven (07) years to be reckoned from the due date of unpriced bid opening.*

In the Administrative approval it was stated that it would be preferred to execute the contract through a local vendor based in Assam/NE for effective execution of contract. To increase participation of Assam/NE vendors it was proposed to reduce the BEC value. As per C&P procedure, Clause 2.4.6.2 the BEC value should be 50% of annualized estimated contract value which comes to 25% for 2 years contract. Committee recommends to relax the BEC value to 20% of the estimated contract value in the subject case i.e Rs 2.50 Lakh (including GST / taxes).

1.1.1 *The present tender is for rate / maintenance contract. In this case, if the bidder is executing a rate / maintenance contract which is still running and the contract **VALUE** executed till one day prior to due date of bid submission is equal to or more than the minimum prescribed **VALUE** mentioned in the BEC above, such experience will also be taken into consideration provided that the bidder has submitted satisfactory work execution certificate issued by the end user / owner / authorized consultant of the owner.*

1.1.2 *The bidder must be an authorized re-filler (PESO Authorized) /dealer /distributor of CO₂ gas and Nitrogen gas. Proof must be submitted along with the offer (un-priced bid).*

1.1.3 Relaxed Norms for Startups (prior experience criteria):

*Prior experience for 'Startup' company [whether Micro & Small Enterprises (MSEs) or otherwise] as a bidder, shall not be required subject to meeting the quality and technical specifications (scope of work) as specified in the tender document. **Start-ups submitting their bid must be authorized re-filler (PESO Authorized) /dealer /distributor of CO₂ gas and Nitrogen gas.***

For availing the above relaxation, bidder is required to submit / upload the requisite certificate towards Startup Enterprise Registration issued by Department of Industrial Policy and Promotion, Ministry of Commerce & Industry, Govt. of India.

The relaxation of prior experience and prior turnover to startup (whether Micro & Small Enterprise (MSEs) or otherwise) has been given to a specific goods/job domain wherein they are registered for. Since certificate of DIPP do not specify goods / job domain, startups are required to submit the documents for the same including the application submitted to DIPP.

Further, above documents should be certified by the Chartered Accountant (not being an employee or a Director or not having any interest in the bidder's

company / firm) and Notary Public with legible stamp.

If a Startup company [whether Micro & Small Enterprises (MSEs) or otherwise] as a bidder gets qualified without any prior experience & turnover criteria as mentioned above and emerges as lowest evaluated bidder, the LOA / Order on such Startup shall be placed for entire tendered quantity.

[However, EIC's of that contract shall draw monthly milestones / check points during the Kickoff Meeting and shall review the performance more carefully and take action as per provision of contract in case of failure / poor performance.]
