**N.B.:**

- 1 Vendor must mark in purchaser's specification sheet point wise whether the point is accepted or not in the relevant positions against each point (by marking 'A' for accepted or 'N/A' for not accepted) and send back the spec sheet to the purchaser along with the Quotation. If any part is not acceptable or there is any deviation, complete description shall be given in a separate sheet as 'deviation list', where the deviations shall be necessarily explained point wise.
- 2 Relevant complete technical literature has to be enclosed for every offered Item / model.
- 3 All the specifications must be necessarily filled in. Any point left out is deemed as not accepted without any reason thereof.
- 4 Taxes & Duties if any , shall be indicated clearly in your quotation and total amount should be inclusive of all taxes, duties, freight charges etc. on FOT Site basis.
- 5 CST shall be quoted against C-Form.
- 6 All columns should be filled otherwise it shall be presumed as inclusive.
- 7 Price FOT site basis.
- 8 Excise Duty is payable on submission of cenvatable invoice.
