2.0 BIDS EVALUATION METHODOLOGY, WORK DISTRIBUTION AND AWARD CRITERIA:

- 2.1 Evaluation of bid would be based on lowest quoted basis.
- 2.2 The quantity distribution of work in case of award to the contractors would be as follows:
Two (2) Transporters would be engaged for the subject transport in which L1 would get 2/3rd of the total quantity & 1/3rd to next lowest by matching rate.

Sl No.	Scenario after evaluation	Distribution
1	One bidder is L-1 as per original offer.	2/3 rd i.e. 4000 MT of total job to L-1 bidder and 1/3 rd i.e. 2000 MT to next lower bidder at L-1 rates (by matching rates).
2	Two bidders are L-1 as per original offer.	50% of total job to each of the two L-1 bidders

In case of Scenario 1, if the next lower bidder (L-2) shall be asked to match their rates with L-1 bidder. In the event of L-2 bidder not agreeing to match the L-1 rate, possibility shall be explored with L-3, L-4, L-5, L-6 etc and so on in order to shortlist 2 transporters on L-1 basis.

- 2.3 In case none of the bidders agree to match the L-1 rates, BCPL reserves the right to award entire job to L-1 bidder. In case only one bidder happens to be techno-commercially qualified, BCPL reserve the right to award the whole quantity to the single qualified bidder.

- 2.4 Further, in case more than one bidder tied up at one position (exception to scenario – 2 of 2.3.2), which creates a situation where more bidders than required number of transporters becomes eligible for award of contract (as the case may be) on the basis of their quoted rates, then shortlisting of bidders will be done using the following tie-breaker:
- 2.4.1 The bidder who has got the higher turnover in the last audited financial year will be considered for award.
- 2.5 Distance to be considered for evaluation of RTKM (Rate per MT per KM) is as below and same would be mentioned in the Schedule of Rates (SOR):
- HPL– Haldia to BCPL - Lepetkata – **3034 KM**
- 2.6 **CPBG: The following CPBG clause shall be incorporated in tender document,**
The contract performance security shall be 7.5% of Basic Contract Value (without taxes & duties therein) towards faithful performance of the contractual obligations and must be valid for 3 months beyond the contract period . For the purpose of Contract Performance Security, Contract/order value shall be exclusive of taxes and duties. Details as per ITB of Tender document.
- 2.7 **PPP Policy 2012**
Considering the nature of job, distribution would be done only as deliberated in 2.2 and splitting of quantities will not be possible and hence the clause for award of 20 % of ordered quantity to MSE as per PPP 2012 is not possible. Therefore, MSE quoting price within price band L1 (other than MSE) + 15%, may be awarded for full/ complete services of tendered value of that particular distribution subject to matching of L1 price. Details as per ITB of Tender document.
