PROVISION REGARDING POLICY TO PROVIDE PREFERENCE TO DOMESTICALLY MANUFACTURED IRON & STEEL PRODUCTS (DMI&SP)

BACK -GROUND

Further, vide Gazette notification dated 31.12.2020, amendment/ addition to the Policy has been circulated. A copy of the policy, clarification (s) and amendment/ additions issues are available on website of Ministry of Steel (i.e. <http://steel.gov.in/>) for reference.

2.0 DEFINITIONS

Bidder may be a domestic/foreign manufacturer of steel or their selling agents/ authorized distributors/authorized dealers/authorized supply houses or any other company engaged in the bidding of projects funded by Government agencies.

“Domestically Manufactured Iron & Steel Products (DMI&SP)” are those iron and steel products which are manufactured by entities that are registered and established in India, including in Special Economic Zones (SEZs). In addition, products shall meet the criteria of domestic minimum value – addition as mentioned in Appendix-A.

Domestic Manufacturer is a manufacturer of iron & steel products conforming to guidelines in section 7 and confirming to the definition of ‘manufacturer’ as per Central Excise Act.

Government for the purpose of the Policy means Government of India.

Government agencies include Government PSUs, Societies, Trusts and Statutory bodies set up by the Government

MoS Shall mean Ministry of Steel, Govt. of India.

Net Selling Price shall be the invoiced price excluding net domestic taxes and duties

Semi- Finished Steel shall mean Ingots, billet, blooms and slabs, which can be subsequently processed to finished steel.

Finished Steel shall mean Flat and Long products, which can be subsequently processed into manufactured items.

L1 means the lowest tender or the lowest bid or the lowest quotation received in a tender, bidding process or other procurement solicitation as adjudged in the evaluation process as per the tender or other procurement solicitation.

Margin of purchase preference means the maximum extent to which the price quoted by a domestic supplier may be above L1 for the purpose of purchase preference. In case of DMI&SP policy, the margin of purchase preference shall be 20% for items in Appendix B.

Iron & Steel Product (s) shall mean such iron and steel product (s) which are mentioned in **Appendix A.**

Domestic value addition means- amount of value added in India which shall be the total value of the item to be procured / sold (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value of the item to be procured / sold, in percent. The ‘domestic value addition’ definition shall be in line with the Department for Promotion of Industry and Internal Trade (DPIIT) (formerly DIPP) guidelines, and shall be suitably amended in case of any changes by DPIIT in the future. For the purpose of this policy document, domestic value addition and local content have been used interchangeably.

3.0 IRON & STEEL PRODUCTS

3.1 The policy is applicable to iron & steel products as provided in Appendix A and to capital goods for manufacturing iron & steel products in **Appendix B** of the policy:

3.2 **Appendix A** contains list of iron & steel products which are to be exclusively domestically manufactured and cannot be imported without the approval of the Ministry of Steel

3.3 **Appendix B** contains a list (non-exhaustive) of capital goods for which purchase preference shall be provided to domestically manufactured capital goods, if their quoted price falls within 20% of the price quoted for corresponding imported capital good.

Annexure- B is the Indicative list of capital goods(non-exhaustive) for manufacturing iron & steel products. Since presently manufacturing iron & steel products is not being done by BCPL, the provision regarding **Annexure-B** of policy will not be applicable.

3.4.1 If Ministry of Steel is satisfied that Indian suppliers of iron and steel products are not allowed to participate and/ or compete in procurement by any foreign government due to restrictive tender conditions which have direct or indirect effect of barring Indian companies such as registration in the procuring country, execution of project of specific value in the procuring country etc., it may, if deemed appropriate, restrict or exclude bidders from that country from eligibility for procurement of that item and/ or other items relating to Ministry of Steel.

3.4.2 For the purpose of sub-paragraph 3.4.1 above, a supplier or bidder shall be considered to be from a country if (i) the entity is incorporated in that country, or (ii) a majority of its shareholding or effective control of the entity is exercised from that country; or (iii) more than 50% of the value of the item being supplied has been added in that country. Indian suppliers shall mean those entities which meet any of these tests with respect to India. The term 'entity' of a country shall have the same meaning as under the FDI Policy of DPIIT as amended from time to time.

4.0 TENDER PROCEDURE

4.1 For iron and steel products in Appendix A, the tender is open only to the manufacturers / suppliers having the capability of meeting / exceeding the domestic value addition targets. Manufacturers / suppliers not meeting the domestic value addition targets are not eligible to participate in the bidding.

4.2 The bidders who are sole selling agents / authorized distributors/ authorized dealers/authorized supply houses of the domestic manufacturers of iron & steel products are eligible to bid on behalf of the domestic manufacturers under the policy. However, this shall be subject to the following conditions:

- c) It shall be the responsibility of the bidder to furnish other requisite documents required to be issued by the domestic manufacturer to the BCPL as per the policy.

5.0 DOMESTIC VALUE ADDITION REQUIREMENT

5.1 Minimum domestic value addition requirement to qualify the product as a domestically manufactured iron & steel product mentioned in Appendix A.

5.2 Domestic value addition means - amount of value added in India which shall be the total value of the item to be procured / sold (excluding net domestic indirect taxes) minus the value of imported content in the item (including all customs duties) as a proportion of the total value of the item to be procured / sold, in percent.

5.2.1 In case the iron & steel products are made using domestic input steel (semi-finished/ finished steel), invoices of purchases from the actual domestic producers along with quantities purchased and the other related documents must be furnished to BCPL.

5.2.2 In case the iron & steel products have imported input steel, the invoices of purchases from the actual producers along with quantities purchased and the other related documents must be furnished separately. To derive the extent of domestic value addition, the weighted average of both (imported & domestic) input steel shall be considered to ensure that the minimum stipulated domestic value addition requirement of the policy is complied with.

5.3 It is recommended that procuring Government agency / bidder participating in the tender process should calculate the domestic value addition using the below formula so as to ensure that the domestic value addition claimed is consistent with the minimum stipulated domestic value addition requirement of the policy.

For iron and steel products & capital goods

% domestic value addition:

Total value of the item to be procured / sold (excluding net domestic indirect taxes) - the value of imported content in the item (including all customs duties)
