Subject: Request for Onboarding in Government e- Marketplace (GeM) & TReDS platform

Dear Sir/Ma'am,

The Government of India has introduced an online procurement portal-'Government e- Marketplace (GeM)' with the aim to transform the way in which public procurement of goods and services is done by the Government Ministries/ Departments, PSUs, autonomous bodies etc.

Further, Govt. of India has implemented Trade Receivable Discounting System (TREDS) to address challenges faced by MSMEs in delayed payments from Government buyers leading to shortfall of Working Capital. TReDS is an online electronic institutional mechanism for facilitating the financing of trade receivables of MSMEs through multiple financiers, The TREDS Platform will enable discounting of invoices/bills of exchange of MSME Sellers against large Corporates including Govt. Departments and PSUs, through an auction mechanism, to ensure prompt realization of trade receivables at competitive market rates.

BCPL is already registered on the following 4 no. of TReDS platform providers:

i) Invoicemart (https://www.invoicemart.com)
ii) Receivables Exchange of India (RXIL)(https://www.rxil.in)
iii) M1xchange(https://www.m1xchange.com)
iv) C2treds(https://c2treds.com)

Further, BCPL has already registered on 'GeM' and already onboarded in all the above-mentioned TReDS platform.

You are requested to kindly on-board / register on GeM and TReDS at the earliest and confirm us per return email

In case you face any problems in registering on GeM/ TREDS, you may kindly contact undersigned or visit C&P department at BCPL, Lepetkata.

We look forward for your kind support in these initiatives of Government of India.
